July/August 2008

Manager's Message

Have you heard? God is pouring out his glory in Lakeland, Florida and all over the world! There are hundreds of miracles and healings happening everyday! God is using Todd Bentley, a seemingly unlikely vessel, covered in tattoos and piercings. Do you think you're an unlikely or unworthy vessel for God to use? Think again! God will use anyone who is willing, regardless of who you are or what you look like. All you have to do is say, "Here I am, Lord. Use me." You can watch the outpouring in Florida on God TV if you have Direct TV or online at www.god.tv. – Melissa Barth

Book Reviews

Reality of the Supernatural World, Todd Bentley

Evangelist Todd Bentley has recently caught national and international media attention from the recent (and still ongoing) spiritual outpouring in Lakeland, Florida. Because of this, Todd's teaching has taken on more levels of reality as nightly revivals take place here in the USA. Todd's book speaks of the Supernatural world as well as achieving closer intimacy with Christ. His words speak true as he preaches and many come to Christ through the miraculous events surrounding this new revival. Read his book to discover the Supernatural for yourself and new intimacy with Jesus.

Praying with Power, C. Peter Wagner

Being one of the foremost authorities and earliest pioneers of the new Apostolic reformation, C. Peter Wagner writes this book on the reason for prayer and praying to move metaphorical mountains in the believer's life, physical and spiritual. His book reflects on his own personal prayer and you can experience God in a powerful life-changing and more intimate way. Wagner also brings new revelation on witchcraft, two-way prayer and corporate prayer as he tells of his experience as a missionary for 20 years. This book is for believers who are desiring the Kingdom and willing to take on their role in bringing it to Earth.

New Testament Principle of Kingdom Stewardship, Dr. Stephen Everett

This book gives a scriptural examination of what it means to be a steward in the New Testament. Dr. Everett seeks to establish the Lord's Kingdom of giving and quench the powers of poverty through selflessness. Based firmly on scriptures, Dr. Everett addresses today's economic issues of capitalism, consumerism, and materialism, and the Biblical response to them. He goes deeper than simply expecting blessings and uproots solid scriptures to lead you to financial freedom.
